EXPLANATION OF RELEVANCE

Reference AA was identified and discussed at page 1 of the present specification, and Applicants stand by the statements in the specification concerning the teachings of that reference.

The remaining references were cited in a Search Report rendered by the Swedish Patent Office during examination of the counterpart Swedish application. A copy of the Swedish Search Report is submitted herewith.

Since all of these references are in English, no further commentary concerning their teachings is necessary.

Copies of each of the above references together with Form 1449 are submitted herewith.

As of the date of mailing of this Information Disclosure Statement, a first Office Action on the merits has not been received in connection with this application, and therefore, this Information Disclosure Statement is in compliance with 37 C.F.R. §1.97(b)(3), and no fee is necessary.

All claims of the application are submitted to be patentable over the teachings of the above references, taken singly or in combination. Early consideration of the application is therefore respectfully requested.
